Choosing tiles for your home should be a fun, creative and effortless experience – allowing you to experiment and explore before making that all-important final decor decision. To make it easy for you, CTM, South Africa's largest tile and decor store, has negotiated the exclusive rights to Studio Ceramico, a specialist studio dedicated to tile design.

With Studio Ceramico there are countless options to choose from. Each tile range is carefully coordinated and beautifully presented, so whether you want a trendsetting new look or a tried-and-tested classic style, you'll be able to find the perfect combination of tiles and trimmings to match – wall tiles, floor tiles, listellos, border tiles and mosaics. And Studio Ceramico has a proud reputation for durable, quality tiles. You, and your inner decorator, can't go wrong.
