Italy – a country renowned for delicious comfort foods, high fashion, breathless architecture and good old family values – is undoubtedly an artistic country with a reputation for good craftwork.

And the Italians have done it again, with Tivoli Taps from CTM. Get the Roma, Athena, Modus, Riviera, Cupole and many other ranges – with their striking good looks and extremely affordable prices, they're sure to bring Italian style to your bathroom.

All Tivoli Taps are exclusively created and manufactured by Italian designers in the Ottone Meloda factory in Italy, which boasts an impressive 60-year history of tap production.

Quality control is paramount and each tap is made to the highest European standards – using the best brass and chrome materials combined with the most technologically advanced manufacturing processes – and are guaranteed for 10 years.

The Tivoli range offers various water-flow options – from conventional pillar taps and mixers with two conventional taps to single-lever taps – all flawlessly designed with flowing, elegant lines that will have you taking pride in your bathroom.

So, what are you waiting for? Make your way to CTM now and add a touch of Italian flair to your bathroom.

The specific ranges are available in:

Cupole taps Chrome and satin chrome

Riviera taps Chrome and satin chrome

Roma taps Chrome, satin chrome, gold and chrome and brushed bronze finish

Modus taps Chrome and satin chrome
